

SLIET STUDENT FEEDBACK SYSTEM

PHASE 01 (FOR TEACHERS ONLY):

All teachers are requested to login at first to this website and provide required details to it.

It is a one time procedure for all the teachers. After filling the required detail they can access their feedback report and analyze their feedback.

Procedure for teachers:-

1. Teachers are requested to login on <http://10.1.5.17/index.php> using their Cyberoam id and Password .

2. Next step is to fill the required details like Department, Teacher code (as mention in time-table) etc.

3. After than they are able to access thier feedback report.

PHASE 02(FOR STUDENTS):

All students need to login to website given below using their same id and password as used for logging on cyberoam.

Students are requested not to fill wrong details at the time of registration as it is one time process.

Students respective teachers will be shown who are teaching them. And then student can give your valuable feedback to teachers.

Procedure for students:-

1.Students are required to login on <http://10.1.5.17/index.php> using their Cyberoam id and Password .

2.fill the required details such as branch, batch etc.

3.Students can give feedback and can see the feedback result of all the teachers.
