

SLIET STUDENT FEEDBACK SYSTEM

PHASE 01 (FOR TEACHERS ONLY):

All teachers are requested to login at first to this website and provide required details to it.

It is a one time procedure for all the teachers. After filling the required detail they can access their feedback report and analyze their feedback.

Procedure for teachers:-

1. Teachers are requested to login on <http://> using their Cyberoam id and Password .

2. Next step is to fill the required details like branch, their unique CODE etc.

3. Now they can access their feedback report.

PHASE 02(FOR STUDENTS):

All students need to login to website given below using their same id and password as used for logging on cyberoam.

In each subsequent semesters , students have to fill these details again. After filling the required details they can give feedback to their respective teachers who are currently teaching them.

You are requested not to fill wrong details at the time of registration as it is one time process every semester.

According to registration your respective teachers will be shown who are teaching you. And then you can give your valuable feedback to your teachers.

Procedure:-

1.Students are required to login on [http:// 10.10.10.10](http://10.10.10.10) using their Cyberoam id and Password .

2.Now fill the required details such as branch, batch etc.

3.Now you can give feedback and can see the feedback result of all the teachers.
